***The Way of the Child*** **NOW AVAILABLE!**  
Helping Children Experience God

*The Way of the Child* recognizes that children have an innate spirituality with a natural acceptance of mystery, an amazing capacity for awe, a vital imagination, a longing to be their unique selves, and an ability to be open to and receive God's love. For children ages 6-11 years, *The Way of the Child* leads children into a deeper relationship with God, instills in children spiritual practices to form lifelong habits, encourages children to respond to God, and provides an experience of vital community. For churches, *The Way of the Child* can be used in a variety of settings: Sunday School, weekday camp, after-school programs. The resource presents experiential sessions to use in a sustained program, is user-friendly, supports families, and is affordable and adaptable.
